Considering the increasing distress - not only economic - of some families in the municipality of Bucine (AR), in 2010, together with a small number of local volunteers, the non-profit association "Radici" was founded, with the statutory mission to support families and individuals in temporary or permanent economic difficulties. In addition to distributing food, the association has also been handing out clothing for some time. Since 2021, it also operates the "Banco Alimentare". Since 2021, Primetta has held the office of president.

In the 2014 municipal elections, she was elected councilor of the municipality of Bucine; she was appointed president of the Social Commission by then-mayor Pietro Tanzini. In the same year she co-founded the so-called "Forum of Associations" to coordinate activities in the municipality. In 2018, again as a municipal councilor, she participated in the opening of the center "La Stazione dei Servizi alla persona" in the premises of the Radici Association.

In 2015 began the collaboration between the Cultural Association D.I.M.A. of Arezzo and the Intercultural Center Don Giuseppe Torelli in San Pancrazio (Bucine). With the project "Common Goods" began a fruitful collaboration that allowed to realize the initiative "Il Roseto della Musica", a music master class with young people from all over the world. During the summer, the premises of the intercultural center host concerts, cultural meetings, theatrical performances, as well as workshops and master classes in classical music. In this context, Primetta plays a coordinating and supporting role between the D.I.M.A. Association, the Municipality and other local associations.

Convinced that the Parish of Sant'Apollinare di Bucine, like other similar structures, does and has always done meritorious work for its citizens, it decided to play an active role in the parish and to participate in the Pastoral Council. In the acute phase of the pandemic crisis was activated the service "Spesa Sospesa", a solidarity initiative that helps families in difficulty.

Since its creation in February 2022, it has also held the office of Parish Caritas Council.

In February 2023, within the R.S.A. - Residenza Sanitaria Assistita della Struttura "Fabbri Bicoli" (Home for the Elderly) di Bucine, the Commission for Relatives was created; she is a member of the aforementioned Commission representing the Associazione Radici.
